

Holly Hammann was an avid Girl Scout. As a girl and an adult, she brought fun and enthusiasm to all. Holly worked as a counselor at Camp Cleawox and was later a member of the council board of directors. She contributed greatly to the camping experiences of many girls in our council. Very early in Holly's adulthood, she was the victim of a fatal automobile accident. Holly had many friends and through their generous contributions, a fund was established that gives a full campership for use at one session at resident camp to the girl who best represents the essence of Girl Scouting.

The girl chosen will meet the following criteria:

- She is in grade 5 - 9
- She participates actively in the Girl Scout program
- She has shown growth through Girl Scouting
- She lives the Girl Scout Promise and Law
- She has willingly helped other girls discover the meaning of Girl Scouting
- She has shared Girl Scouting with her community through service
- She has a love of camping and has a desire to attend a session at resident camp this summer

Please remember, this award is NOT based on financial need, but it is our hope that girls nominated would be financially appreciative of the award.
